

## COVER LETTER FOR SUBMISSION OF A PAPER TO JOURNAL OF BIOENERGY AND FOOD SCIENCE

Gurupi, Tocantins, Brazil. 03/13/2017.

Dear Editor the Journal of Bioenergy and Food Science,

I wish to submit a new manuscript entitled **"Diversity genetic in maize under abiotic stress in the Tocantins State"** for consideration. I confirm that this work is original and has not been published elsewhere nor is it currently under consideration for publication elsewhere. In this paper.

The paper addresses the **"Diversity genetic"** and is important because **"The doses of nitrogen and seasons of sowing influenced the grouping of genotypes"**. The paper should be of interest to readers in the of area **"Sciences Agrarian"**.

**Briefly describe in three lines the research you are reporting in your paper, why it is important, and why you think the readership of the journal would be interested in it. Do not simply insert your abstract into your cover letter!**

### CONSENT TERM

I / We declare that:

1) The manuscript content is inedit and has not been published elsewhere nor is it currently under consideration for publication elsewhere.

2) There is conflict of interest in the research conducted? ☒ NO ☐ YES  
**Describe here, the interest conflict**

3) The research received financial aid? ☒ NO ☐ YES  
**If yes, describe the agency name and process number**

4) In case of acceptance of the article, the authors agree that the copyright relating to it will become the exclusive property of the Journal of Bioenergy and Food Science, Creative Commons license (CC BY-NC-SA).

5) In addition to the main author, all co-authors (if any) participated in the work enough to make public their responsibility for the content.

6) Relate below the CONTRIBUTION OF AUTHORS and ORCID number (<https://orcid.org/register>)

**Weder Ferreira dos Santos 1** – <http://orcid.org/0000-0002-0730-1514> | Performed the planning, accompanied, guided during the conduction of the experiment and performed the final review of the article.

**Flávio Sérgio Afférri 2** – <http://orcid.org/0000-0002-0819-4108> | Performed the planning, accompanied, guided during the conduction of the experiment and performed the final review of the article.

**Joênes Mucci Pelúzio 3** - <http://orcid.org/0000-0002-9336-2072> | Performed the planning, accompanied, guided during the conduction of the experiment and performed the final review of the article.

**Layanni Ferreira Sodré 4** – <http://orcid.org/0000-0002-8309-8829> | Performed the implementation and conduction of the experiment, data collection and analysis and the final review of the article.
